v.)	CRIMINAL NO. 04-10164-DPW

SHON ROWELL)	

DEFENDANT'S ASSENTED-TO MOTION TO
CONTINUE FINAL STATUS CONFERENCE

Defendant, with the assent of the United States, moves that this Court continue the Final Conference, presently scheduled for September 27, 2004, to October 18, 2004 at 2:30 p.m. As reasons therefore, defendant states that within the past week the government has provided him with a number of items in discovery including heretofore unavailable reports and photographs. Defendant requires an additional period of time in order to review this new discovery. The parties are thus unable to address the Final Status Conference issues as required by Loc. R. 116.5(C).

The parties further agree that the period commencing September 27, 2004 up to and including October 18, 2004 is excludable from calculations under the Speedy Trial Act as it is in the interests of justice to allow defendant to review discovery and determine whether dispositive motions should be filed.

Respectfully submitted,
